Unveiling The Box Of Your Luxury Home

Welcome to Milan, Before you welcome home.

Feel welcomed into a society, before welcoming yourself into your home. A grand entrance lobby awaits you with a reception that is close to amazing. Project Milan comes with a 24/7 gated security and camera surveillance, lift service & intercom facility in each home. But a home is not the only thing we offer.

It's lifestyle at the roof-top, literally.

In a busy and heavily crowded suburb like Santacruz, head to the terrace to a private gym for those health fanatics who would love to work up a sweat.

This inhouse gym comes with the best equipment so that you can get fitter while living better.

It also has a walking track for a good cardio.

A City Of Dreams Meets A Dream Home.

Connectivity and convenience are key when it comes to owning a home in the bustling city of dreams called Mumbai. This is where Zee Milan aims to create a space for the starry-eyed customers who settle for nothing less than the best.
